

## Campbell Hausfeld 2-in-1 Flooring Nailer and Stapler Hire Kit

The **Campbell Hausfeld hardwood flooring Air Nailer/ Stapler** is perfect for upgrading your home by adding the beauty and warmth of hardwood flooring. Quality engineering makes the task of installing flooring faster and easier: The **2-in-1** design gives you the power of two tools in one, reducing bulky extra pieces or the need to buy two separate tools. Designed to reduce fatigue, this air nailer/air stapler offers an extra-long handle for less bending and squatting. Everything you need is included, so you can get working in minutes, saving you time and money.
